

Optional Service

\$14²⁵

per month, plus establishment
fee and call costs

Requires INS LifeGuard's
3G SIM. Service can be shared by
SmartHome, SmartWatch
and LifeGuard Mobile.

Telephone Service

All calls and alarms made to and from INS LifeGuard are free on the LifeGuard SmartHome.

You can also choose to use the LifeGuard SmartHome as your standard home telephone with the addition of our optional SIP Telephone Service.

For a low monthly fee, your INS Telephone Service can include a free calls allowance for local, national and mobile calls. The free calls allowance and low cost call plan can be shared across the LifeGuard SmartHome as well as the LifeGuard Mobile or LifeGuard SmartWatch as well.

With the LifeGuard SmartHome you can store your favourite contacts. Once stored, you can easily call any of your contacts with just one touch.

You can even keep your current telephone number and transfer it over to your INS Telephone Service.*

Call us for more information.

* Depending on your current provider, may incur a charge which varies by provider and is on application.
